

Who we are?

Muni Arborist is a Hong Kong-based company, devoted to academic and professional development of arboriculture and landscape. Established in 2009, Muni is staffed with more than 40 personnel, and most of them have obtained higher degrees such as M.Phil. & Ph.D., and highly experienced in landscape or related disciplines.

我們是誰？

都市樹藝有限公司以香港為中心，積極在學術和專業層面發展樹藝及園藝。我們成立於2009年成立及擁有超過40位以上員工。大部份員工持有大學學歷以上程度。

Why choose Muni?

We are specialized Landscape and Arboriculture Consultants. To ensure high quality services, we have acquired certificates in quality management including ISO 9001, ISO 14001 and OHSAS 18001. In fact, we are not only limited to the services currently offered, but are also capable to meet customers' needs through our teams with spirit and expertise. Our clients include DSD, TMO, LCSD, HAD, Archsd, HKPF, University, NGO and private companies.

為何選擇都市樹藝？

我們業務性質包括園藝及樹藝顧問服務。亦得到國際認可的品質管理系統 ISO 9001、環境管理系統 ISO 14001、職業健康與安全標準 OHSAS 18001。我們的每位員工都充滿熱誠和專業。客戶包括渠務署、樹木辦、康樂及文化事務署、文政事務總署、建築署、香港警務處、大學和私營機構及非政府組織。

Turfing

A lawn is essential to a pleasant garden. To effect satisfactory turfing, you could count on Muni Arborist Landscaping Team. Your lawn is first evaluated by our experienced landscape designers. After having discussions with you, we proceed to implementing a lawn that meets your needs.

草地種植及保養

舒適花園的基本要求是有一片草地! 都市樹藝園藝組擁有豐富草地管理經驗。我們每次巡視也是由園境師親身與客人討論, 和配合客人需要和要求。

Landscape Design and Maintenance

We also provide maintenance and landscape design services to make your gardens or newly planted flowers and shrubs always look best. Besides, we also give professional advices on various aspects such as soil and light science issue and drainage.

保養及園藝設計

同時我們提供園藝保養服務及園藝設計讓你的花園保持歷久常新。同時提供專業意見例如去水、泥土學及光學的建議和顧客需求。

Rockscape Design and Installation

If you are interested in living in a relaxing outdoor atmosphere, a water garden with aqua basin is the best option that gives you comfort. To make it unique and stylish garden we could help you add elements reflecting your taste and style.

石景設計及安裝

假如你喜歡戶外放鬆的環境, 安裝水池和石景是你的不二之選。讓你可以加入屬於你自己的個人元素, 設計自己獨一無二的個人天地。

Planting

A garden looks lush and flourishing only if the right plants are planted at right time. The right flower thrives in summer and blooms nearly incessantly in fall. A garden full of vividness gives you a relaxing and energetic environment.

種植

花園時刻保持開花是需要配合時間和花種, 鮮豔和色彩繽紛的花園能給你放鬆心情和保持活力。

Tree Maintenance

We provide a series of tree care services including inspection, pruning and removal of trees carried out by sophisticated Arborist and CTW. Regular preventive maintenance can greatly reduce the risk due to lack of caring of trees.

樹木保養

我們的註冊樹藝師及攀樹師提供一系列樹木保養服務, 包括巡查、修剪及移除樹木。定期保養及修剪樹木可大大降低因缺乏保養而產生的危險。
